CHURCH COVENANT

Having been led, as we believe, by the Spirit of God, to receive the Lord Jesus as our Savior, and on the profession of our faith, having been baptized in the name of the Father, and of the Son and of the Holy Ghost, we do now, in the presence of God and this assembly, most solemnly and joyfully enter into this Covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this church in knowledge, holiness and comfort; to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the church, the relief of the poor, and the spread of the Gospel throughout all nations. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger; to abstain from the sale and use of intoxicating drinks as a beverage, and to be zealous in our efforts to advance the Kingdom of our Savior.

We further engage to watch over one another in brotherly love, to remember each other in prayer, to aid each other in sickness and distress, to cultivate Christian sympathy in feeling and courtesy in speech, to be slow to take offense, but always ready for reconciliation, and mindful of the rules of our Savior, to secure it without delay.

We moreover engage that when we remove from this place we will, as soon as possible, unite with some other church where we can carry out the spirit of this Covenant and principles of God's Word.

REPORT ON CHRISTIAN EDUCATION

Read by Rev. J. H. Powers:

North Carolina Baptists own and maintain three colleges—Wake Forest for men, and Meredith and Chowan for women. These three institutions enrolled last year 1,002 students. They own in plant equipment and endowment $1,888,603.21 We also own and operate five academies: Boiling Springs, Buie's Creek, Dell, Liberty-Piedmont and Wingate; these enrolled last year 1,523 students, and own property worth $316,000.00. The Home Mission Board controls and supports in North Carolina, nine mountain schools, which enrolled last year 1,900 students and own property valued at $554,000.00.

In addition to the above we have in North Carolina one Baptist College at Oxford, privately owned, and two academies: Pineland for girls and Mountain Park for boys and girls, both privately owned.

Let me add that North Carolina joins with other southern states in supporting the Southern Baptist Theological Seminary for preachers at Louisville, Kentucky, which enrolled last session 339 ministerial students, and owns property valued at $2,150,000.00; with a Woman's Training School attached, which enrolled 166 students last year; the Southwestern Theological Seminary at Fort Worth, Texas, with an enrollment of 691 men and women together, and property valued at $1,454,700.00; also a Bible Institute in New Orleans, Louisiana, enrolling 329 students, with property worth $300,000.00.

We had about 85 ministerial students at Wake Forest last session and about 35 at Louisville, also four young women preparing for the foreign field at Meredith. Our high schools reported over 100 ministerial students and student volunteers last session.

The amounts that have been distributed among the Baptist Schools of North Carolina during the first two years of our campaign:

REPORT ON HOME MISSIONS

Read by Rev. E. L. Weston:

As will be learned from the annual report of the Home Mission Board made to the Southern Baptist Convention at Jacksonville last May, the Board presented a record of wonderful achievements. The previous year had been the greatest in all the history of the Board and though there was retrenchment in the force of workers, the past year in results was even greater.

The million dollar mark was reached in the Church Building Loan Fund, which is loaned to churches in the erection of church buildings.

It was the greatest year in soul saving and in the enlistment of our forces in the work of the kingdom, in advancement towards self-support in so many of our fields, all of which conspired to render the year memorable in our history.

Sometimes statistics are tiresome and uninteresting, but such as the following ought to cause thanksgiving to God on our part and resolutions to make it possible for even greater results through the labors of our Home Mission Board:

There were last year under the employment of the Board, independent and co-operative workers, a total of 1,188 missionaries who supplied 3,131 churches and missions, delivered 165,445 sermons and addresses, made 236,992 religious visits, baptized 36,154 converts, received 83,994 additions to the churches, organized 308 churches, built or improved 456 houses of worship, organized 786 Sunday schools and did a vast work in personal visitation among the sick and distributed millions of pages of tracts and thousands of copies of the Scriptures.

What a mighty work is being accomplished through this great agency of Southern Baptists, the Home Mission Board! Surely the Lord of Hosts is with us, making bare His mighty arm in the salvation of the lost!

The Board's work is done under the following departments: Co-operative Missions, Enlistment, Evangelism, Mountain Schools, Foreigners, Indians and Negroes, Cuba, Panama, Soldiers and Seamen, Publicity, Southern Baptist Sanatorium, Church Extension.

In every department of the work there has been splendid progress, especially on the lines of Evangelism and Enlistment, which two departments have recently been more closely co-ordinated and are working hand in hand for the salvation of the lost and the development of the saved.

The Board for two years has been heavily in debt because of the enlargement of the work at the beginning of the 75 Million Campaign and a great falling off in receipts during the past year. This has made it necessary for retrenchment wherever possible and has at the same time made it impossible for the Board to respond to numerous and pressing calls for help.

Financial conditions are improving and the Board is encouraged to believe that its receipts will be in advance of those for last year and thus make it possible to lessen the Board's debt and turn our forces towards the larger opportunities that are found on every hand.

Free literature in the way of tracts and leaflets can be had on application to the the Home Mission Board, 1004 Healey Bldg., Atlanta, Georgia.

Respectfully submitted,

E. L. WESTON,
For Committee.

This report was discussed by Rev. E. L. Weston, Rev. A. L. Turner, Rev. R. M. Hilburn and D. E. Pait, which was adopted.

REPORT ON FOREIGN MISSIONS

Read by Dr. J. J. Hurt:

The results of the Southern Baptist Foreign Mission efforts are both encouraging and challenging. The fathers used to pray for open doors. We, their sons and daughters, have seen all doors opened to the Gospel and have heard piteous appeals that we come over and help.

Wherever our missionaries have gone with New Testament truth souls have been won to Christ. The work of the missionary calls for men and women of strong bodies, trained minds and consecrated hearts. It is a tedious work, and only those who have stout souls and unfailing faith in the promises of God can prevail. A preacher of only average ability may succeed in this country, but it takes the best talent there is to cope with the multifarious problems of foreign fields.

Difficulties, however, must not deter us. Christ's orders must be obeyed. "Ours not to reason why. Ours but to do or die." We thank God for heroic souls from our Southern Baptist Convention who have laid down their lives for the lost in far away lands. The memory of their deeds will be a priceless legacy to our children's children.

During the last year Southern Baptists contributed a million and three-quarters of dollars to foreign work. There were 7,891 baptisms into our 622 churches, which have now an aggregate membership of 64,251. We have about 3,125 students in our academies and colleges in mission lands.

If the question be raised—Do the converts in foreign fields stick?—let it be answered that missionaries testify they stick better there than here. Here every influence is favorable to conversion. There it often costs expulsion from home, the ridicule of life-long friends, and the withdrawal of rich inheritances in houses, lands and honors.

Our mission work has suffered through the non-payment of the 75 Million pledges. The time has come for us to show our faith in foreign missions by deeds of sacrifice. We may not be able to preach ourselves, but our dollars can. Let's send them, with Christ's benedictions upon them, to China, Japan, Russia, Africa, Italy, and the islands of the seas.

JOHN JETER HURT.

This report was discussed by Dr. J. J. Hurt, and was adopted.

WEDNESDAY MORNING

The Association began its morning meeting at 10:00 o'clock. After singing, "Close to Thee," and "Leaning On the Everlasting Arms," lead by H. B. Easom, we were lead in prayer by D. L. Gore.

Rev. W. H. Dodd conducted the devotional services, reading from the 6th chapter of Isaiah.

The minutes of Tuesday's session were read and approved.

Motion made and approved that a committee be appointed by the Moderator to consider Dell School and report before the close of the present session of the Association.

The Moderator appointed for this committee: J. H. Powers, J. J. Hurt and D. L. Gore.

REPORT ON SUNDAY SCHOOLS

We once had the idea that Sunday schools were for children only, but as we observe and "read as we run," we see young ladies and young men, mothers and fathers, and even grandmothers and grandfathers sitting at the feet of some sainted teacher learning the story of the Cross which the world is dying to know, we are beginning to see visions, and our Baptist Sunday schools are coming into their own now and are growing larger and more influential. Here is where 90 per cent of the knowledge of Jesus is first planted and why is it we have been so dull as not to see it sooner and put more into the Sunday schools? Thank

God we are at last waking to these truths and have put a band of regular workers out into the field to develop this work.

Our State Convention has engaged the full services of experts to go about over our state and help build up the Sunday school work from every standpoint. They are working along general policies agreed upon at the Convention and can be secured to aid you if wanted at any time. These policies involve the taking of a religious census with a follow-up canvass, in the hope that this year we may gain 30,000 in the membership of our schools. We are working for adequate organization and equipment in every school. We are striving diligently to train our teachers through the Normal Course. We are trying to organize our classes of intermediates, young people and adults. There are unlimited possibilities in this general program barely mentioned here.

The last State Convention authorized a great rural campaign. It has been put on even more effectively and largely than was at first planned. During the three months—June 5th to September 5th—fifteen special workers co-operated with the regular workers. Some of the results of this effort were as follows:

No. of Institutes	271
Churches Represented	496
Total Enrollment	10,114
Visitors or Others Attending	8,225
Examinations	2,030
Enrolled in Correspondence Course	1,654

In this rural program one-half of all the expenses were paid by the Baptist Sunday School Board, Nashville, Tennessee.

The regular workers are busy all the time on general policies and plans. We have come upon a time when the Sunday school is not only being looked upon as a great evangelistic opportunity, but as a great opportunity in Christian service. The outlook was never so bright and hopeful.

Respectfully submitted,

F. P. POWERS.

This report was discussed by F. P. Powers, Dr. J. J. Hurt and Dr. Charles E. Maddry, and was adopted.

REPORT OF COMMITTEE ON PLACE AND PREACHER

Your Committee beg to recommend Long Creek Baptist Church for our next meeting, and Rev. E. L. Weston, of Atkinson, to preach the Introductory Sermon.

Respectfully submitted,

G. E. LEFTWICH,
W. H. LEWIS,
A. E. PAGE,
Committee.

This report was adopted.

A motion was made by Rev. J. H. Powers that the minutes of the B. Y. P. U. be incorporated in the Associational minutes. Motion adopted.

WEDNESDAY AFTERNOON

The Association reconvened at 2:00 o'clock.

The devotional services were conducted by H. B. Easom. Prayer by Dr. W. L. Poteat.

REPORT ON STATE MISSIONS

We have in our State Mission Work the Departments of State Missions, Sunday Schools, B. Y. P. U., Evangelistic and Enlistment. In the department of Missionary Pastoral Assistants there are about 210 Missionary Pastors in the employ of the State Mission Board. These men serve 350 churches and mission stations. We pay these men varying amounts from $5.00 per month to $175.00 per month. The pay roll to the Missionaries alone is about $5,500.00 per month. We believe it vitally important to have a strong preacher and pastor at every school center whether it be a state school or denominational school, and at nearly all of the educational centers the Board is assisting in the payment of the pastor's salary.

In the counties of Hyde and Dare there is only one Baptist pastor in each county. The State Board is paying more than half their salaries and if it were not for this these churches in these two counties could not have a Baptist pastor. Through our State Mission money we are making it possible for great work to be done in our Sunday school and B. Y. P. U. departments, under the wise leadership of E. L. Middleton and Perry Morgan, which during the past year have had the greatest enlargement of any year in our denominational history. Out of 2,300 churches 1,800 are country churches. Brother Hanby is enlisting these churches in a marvelous way in the spirit of systematic giving. To keep our work going we must raise by November 30th about $700,000.00. Let every one of us do our part and the glorious victory will be ours.

Respectfully submitted,

W. G. HALL.

This report was discussed by Rev. W. G. Hall and Dr. Charles E. Maddry, and was adopted.

REPORT ON B. Y. P. U.

In 1890 the Baptist denomination saw the great need for training its own young people. This fact was brought forcibly to the attention of the leaders by the spread of an inter-denominational organization, with which all Baptist young people's societies were then affiliated. Such an organization could not, of course, train Baptist young people as we think they should be. As a result the Baptist Young People's Union came into existence, and was a noble effort to so organize our young people as to keep them indentified with our own work and under our own influence.

The Southern B. Y. P. U. was organized in Atlanta, November, 1896, and ever since that date the work has grown by leaps and bounds. All of the states in the territory of the Southern Baptist Convention have all-time B. Y. P. U.

secretaries and some of them also have separate workers in charge of the Intermediate and Junior Unions.

In order to more closely organize the Unions of the various churches and to carry the work to the remotest Baptist Church, and thus to every young Baptist in our southland, the Associational organization has come into being.

The Wilmington Association B. Y. P. U. is such an eager, willing group of young people, and are propagating B. Y. P. U. work, and the things for which the B. Y. P. U. stands, such as Bible study, doctrinal studies, missionary study, stewardship, and soul winning. In other words, we are trying to become more efficient church members.

At the present time there are 18 Associational B. Y. P. U.'s in the state, as follows: Bladen, Buncombe, Eastern, Gaston, Johnston, Kings Mountain, Little River, Mecklenburg-Cabarrus, Mt. Zion, Piedmont, Pilot Mountain, Raleigh-Central, Roanoke, Sandy Run, Tar River, West Chowan and Wilmington.

The first convention of the Wilmington Associational B. Y. P. U. was held in the First Baptist Church, Wilmington, May 26-27, 1921. The second annual meeting was held with the Wallace Baptist Church, Wallace, May 26-27, 1922.

At the latter convention the reports indicated that we have at the present time 45 Unions, with an approximate membership of 1,278. This is nearly three times as many young people enlisted in the work of the B. Y. P. U. of the Association as there were when the Associational B. Y. P. U. was organized.

There are now 925 Unions in the state, an increase of 155 since the State Convention at New Bern. During the week, October 15-22, a concerted endeavor was made to reach the one thousand mark.

I wish to lay upon the hearts of every pastor and Christian worker of the Association the importance of helping us in our work. If your church has no B. Y. P. U., won't you resolve to organize one before the State Baptist Convention meets in December? Fill your young people with inspiration to carry on the work. Stress the importance of their doing extension work, by going out into the remote sections and organizing a Union.

Let all of us pull together and make this the greatest year in the history of the B. Y. P. U. in our Association and in our state.

W. B. MUSE,
President.

This report was adopted.

WOMAN'S WORK

Motion that Rev. W. H. Dodd make a report later for the minutes.

REPORT ON MINISTERS' RELIEF

The Relief and Annuity Board was chartered in September, 1918, in Dallas, Texas, by order of the Southern Baptist Convention. The work of this Board is organized to give gracious relief to those of our ministers who, in their service, have come to need.

It has invested assets today of: Relief Department $419,027.25; Annuity Department $730,061.27; Total $1,149,088.52.

The Board paid out last year to her relief beneficiaries the sum of $128,966.89, which is $10,000.00 in excess of what we paid them last year. There are now between eight and nine hundred ministers receiving help from this Board. In North Carolina there are about seventy ministers receiving relief. They receive about $175.00 per year on an average. Rev. J. M. Arnette of Wagram, North Carolina, furnishes blanks and endorses applications for aid, and Dr. William Lunsford of Dallas, Texas, sends the money direct to the beneficiary.

While we have made great progress since the organization of the Board in giving aid and comfort to the disabled and retired ministers, yet we are just beginning to do what we should do. We should never think of this work as charity, for it is in the very highest sense a debt, and should be regarded as an obligation the denomination owes to every veteran of the Cross.

If our government deems it wise to pay a pension to her veteran soldiers, then a thousand times is it our duty to give relief to the veteran preacher who has stood in the battle-line against sin, fighting for Christ. When he has worn himself out in the ministry living for others, let us stand by his side, in his old age, and see that he does not suffer. Some of them, yes many of them went out into the frontier, and on the Home Mission firing line, and some went across the sea. They have manfully stood their ground and won new territory for their King. The wordly comforts they enjoyed were few. They have spent their lives taking collections for every sort of thing and for everybody else, but they never took a collection for themselves. If they laid by treasure, it was not on earth, but in heaven. They have been so busy caring for others that they forgot themselves, and with their small salaries, they have come to the time of their old age without having provided for such a day.

What is to become of them in their old age? How are they to be cared for? They are to be cared for by the Relief and Annuity Board of the Southern Baptist Convention, but it is not possible for this Board to do this gracious work unless you and I are true to God and pay our campaign pledges.

Let us rally to this noble cause, and say to our ministers today: "Brother, give yourself to the work, spend yourself freely, be not afraid, and we solemnly promise that we will stand back of you; if you fall in the work we will care for you; if you die we will not permit your family to suffer; if you grow old we will comfort your declining years."

Respectfully submitted,

R. J. HALL.

REPORT ON TEMPERANCE

Read by Rev. W. H. Dodd for Rev. J. A. Sullivan:

The liquor forces, through the thirty odd organizations in this nation, are making an effort for the passage of the Hill amendment to the Volstead Act, which if enacted into law will permit the sale of light wines and beer. All church, temperance and Anti-Saloon League forces are opposing this measure. These righteous forces are also working for the Sterling amendment to the Tariff Bill,

which will give us protection from the international rum runners for eighteen miles from land instead of three. This will do much to break up the foreign bootleggers. The State Anti-Saloon League is working for state legislation that will harmonize our state prohibition laws with the Volstead Act and that will give to the Attorney-General of the state authority to enforce these laws in any part of the state.

In addition to the matter of legislation, the Anti-Saloon League is working for the enforcement of law through the constituted authorities. The best way to enforce the prohibition laws is through the constituted authorities of the county. These authorities are closest to the people and the people know them and they know the people and the geography of their county. There are 2,500 of these in the state. When they get busy something will happen. If they do not get busy, the preachers and the patriots ought to get busy and something else will happen. There is no law-enforcement in its truest sense for the county whose citizens will elect to positions of honor, trust and executive authority men who are law-breakers or who sympathize with the violators. The only remedy under such conditions is to educate the people by agitation and publicity until you make a sentiment that will crystallize and elect officers who will be true to their oaths of office, who will support the constitution, and who will sympathize with the people and protect them rather than sympathize with the outlawed liquor traffic and protect it.

Baptists will ever hold precious the doctrine of complete separation of Church and State. But there are certain conditions of State which the Church must take cognizance of and combat, in order that she might have a free hand in discharging the obligation resting upon her in the great commission. It is undisputed that the great prohibition victory in the dear old North State could never have been won without the active co-operation of the churches. It is going to depend upon this same power and influence to back up our prohibition law, if this law is to be enforced. During this period of severe test to this amendment to the Constitution, let us resist by prayer, righteous and consistent living, and courageous combativeness every effort to either overthrow the amendment, or nullify its provisions.

Respectfully submitted,

J. A. SULLIVAN.

Minutes of the

WOMAN'S MISSIONARY UNION

HELD WITH

The Burgaw Baptist Church

AUGUST 25, 1922

The Twelfth Annual Meeting of the Wilmington Woman's Missionary Union was held with the Burgaw Church, Friday, August 25, 1922.

The opening devotional was conducted by Mrs. J. T. Bland, of Burgaw, during which Miss Elizabeth Briggs offered prayer.

Mrs. W. C. Dicksey in a few well chosen words welcomed the ladies of the Association to Burgaw. To this Mrs. Herbert Boney, of Teachey, responded.

Distinguished guests, Mr. and Mrs. David Wells Herring, of China, were recognized at this point; also our own Miss Elizabeth Briggs, of the State Central Committee, and Mrs. R. W. Mason, a former Association superintendent.

Minutes of last meeting were read and approved.

The superintendent, Miss Florence Whitney, rendered a splendid report of her year's work which was adopted by vote of the Union.

In the absence of the Treasurer, Mrs. R. E. Williams, her report was read by the superintendent. This was also adopted upon motion.

The Literature Committee made no formal report, but the superintendent stated that the interest shown in this phase of the work was not what it ought to be. Mrs. J. T. Bland was appointed to solicit subscriptions to the various Mission Journals.

Mrs. Matthews, of Watha, told of a most successful Mission Study Class at Watha in which they have completed an entire course of six books and are planning another course for the coming fall.

Mrs. W. H. Grant, of Southside Church, made one of the best reports on Personal Service Work ever rendered at this Union; her talk on this phase of the work made us realize more forcibly than ever just how vital personal service really is. Her report was adopted.

A hymn, "All the Way, My Savior Leads Me" was sung by the Union, after which, Mrs. C. Y. DeVaun made a talk on "The Greatest Need in Our Society." This was followed by an inspirational address by Miss Elizabeth Briggs in which, in her usual deeply spiritual and convincing manner, she showed how revelation, insulation, and continuation, as applied to Missionary work, are very necessary.

A sacred solo was rendered by Mrs. McCullen, of Burgaw.

Mrs. Frank Sloan, of Wallace, talked on, "What the Seventy-five Million Campaign has done for our Church." Mrs. Curtis spoke on, "What the Seventy-five Million Campaign has done for our Orphanages and Hospitals.

Mrs. Herring, our own Missionary to China, told of her work in that country, making us all feel a little more clearly the great need of continued and increased work in that great country.

Miss Whitney called for a renewed consecration of our women, to which several pledged audibly their determination to surrender themselves unreservedly to whatever work the Lord should call them to do.

After the appointment of Committees and the singing of a hymn, the meeting adjourned with prayer led by Rev. D. W. Herring, to reassemble at 2:30, P. M.

AFTERNOON SESSION

After a bountiful dinner had been served in picnic style by the Burgaw ladies, we reassembled for further discussion of the Lord's work. A hymn was sung and a devotional service was conducted by Mrs. Hinton, of Jacksonville.

Miss Effie Rose gave a very interesting talk on the Louisville Training School. Miss Rose went to this school last session as the special student of the Wilmington W. M. U. She made us feel so glad that we had been instrumental in her having spent one of the most pleasant and profitable years of her life, and announced her determination to complete the two years course at that institution. The superintendent asked that the representatives of the various Societies try to get their Societies to see the need of giving a scholarship at the Training School every year.

The Sunbeam Band of Burgaw under the direction of Mrs. La Nier, gave a very pleasing demonstration of their exercises as they usually give them. This was followed by a Mission Study Class demonstration by the Burgaw G. A.'s led by Miss Sallie Harrell.

Mrs. L. F. Fore, of Wilmington, gave a talk on "The Need of Young People's Work and How to Meet it".

The Committee on Time and Place composed of Mrs. Geo. Trask, Mrs. Addison Hewlett and Mrs. Frank Powers, recommended that the next sessio be held with Southside Church, August 26, 1923.
